Last Updated Thursday, 25 February 2010

On behalf of the Cameron Smith Organizing Committee, I'm pleased to announce that the Cameron Smith Memorial Fund received the 2010 Kanata Chamber of Commerce People's Choice Award this evening, for Community Support - Non Profit Organization of the year (Kanata).

As a community, each of you should feel a great sense of pride in what you have helped our community accomplish. Your efforts are recognized through the award we received this evening. We thank you for your support!

Events such as this change a community forever and we are so incredibly proud and thankful to have represented the community, on such a worthwhile initiative. We can only imagine how happy and proud Cameron must be of everything that we as a community have achieved together!

Kind Regards,

Garry Brownrigg
