Last Updated Tuesday, 20 April 2010

On behalf of the Cameron Smith Organizing Committee, I am pleased to announce that the Cameron Smith Memorial Fund received the Community Impact Award from the Kanata Minor Hockey Association (KMHA) at the 2010 AGM, held on April 20th, 2010.

The Organizing Committee, on behalf our volunteers, sponsors and the Smith Family, would like to thank the KMHA Executive for this recognition and the KMHA Membership for the kindness, friendship and support we've received over the years. We would not have realized our goal without your support and we are so grateful to our community for standing behind our cause, in Cameron's name.

Kind Regards,

Garry Brownrigg
Chair, Cameron Smith Memorial Fund
